DISCOUNTS:- 5 cases up, less 50¢ per case; 10 cases up, less $1.00 per case; 25 cases up, less $1.50 per case - applying on single items, not totals

The difference between "Northern or Mountain grown" GIGANTEUM and the "ordinary or Southern grown" is clearly shown in the prices this season - and the difference should show in results. The Northern grown come from sections under perfect control, selected, rogued while growing and inspected and certified when dug - while the Southern grown are just ordinary Giganteum and are not suitable for cold storage. No price-distinction was made last season, yet we believe that most of the dissatisfaction could be traced to the low-priced Southern grown, which we refused to handle.

Prices upon HARDY sorts will be quoted firm next month. Meanwhile you can safely order at open price, and prices when ready will be subject to your approval before shipping. Such advance orders receive lowest prices. Sizes and case contents follow:-
